Dear New Resident,

October 2009

WELCOME TO THE VILLAGE

On behalf of the Parish Council let me take this opportunity to welcome you to the Village, or, if you are one of the many people who used to live in the Village and have returned, then welcome back!

If you are not familiar with Doddinghurst, the Parish Council website (www.doddinghurst-pc.gov.uk) will be a good place to start to get to know the Village and what is going on. As well as Parish Council activities we have included information about the Community including links to Schools, Doctors, Clubs, Societies and Churches together with their many contact numbers.

If you don't have access to the Internet then look out for the "Link" magazine, which is an independent publication that is freely delivered to all households in the Village every month, or may be picked up at the Post Office or Newsagent's, also free of charge. As well as a "who's who" it also has lots of contact numbers and adverts for local trades-people. If you prefer to speak to someone, why not drop into or call the Parish Office - it's semi detached to the Village Hall - and we will try to help you out on any Village related topic, or at least point you in the right direction.

Finally, please keep an eye on the notice boards (there's some by the Post Office and the Village Hall) for information about the latest events and activities as well as formal notices concerning the Village.

Yours sincerely,

Clr Mrs Deborah Dicker
Chairman Doddinghurst Parish Council
